## ACCOMMODATION

*Kindly remember to book your room.*

There is only limited amount of pre-booked rooms due to the high season. We have also pre-booked some cabins and cottages, in case the number of hotel rooms is not sufficient.

Consequently, there is considerable variation in the prices of accommodation (82-440 € per night). Please, note that the pre-booking is valid only until 30 November. To make the reservation, please, contact the hotels listed below by email and, please, mention the code "Creates". You will find more information about the hotels by clicking the name of the hotel.
